

I will follow you into the dark

Death Cab for Cutie

Intro: Em G C G D

G
Love of mine,
Em
Someday you will die
C
But I will be close behind
G D
I will follow, you into the dark

G
No blinding light
Em
Or tunnels to gates of white
C
Just our hands clasped so tight
G D
Waiting for, the hint of a spark

Chorus:

Em G C G D
If heaven and hell decide, that they both are satisfied
Em G D
Illuminate the "no's", on their vacancy signs
Em G D Em D
If there's no one beside you, when your soul embarks
C C G
Then I will follow you into the dark

G
Catholic school
Em
As vicious as roman rule
C
I got my knuckles bruised
G D
By a lady in black

Last verse:

You and me, have seen everything to see
From Bangkok to Calgary
And the soles of your shoes
Are all worn down, the time for sleep is now
But it's nothing to cry about
Because we'll hold each other soon, in the
blackest of rooms

G
And I held my tongue
Em C
as she told me, "son, fear is the heart of love."
G D
So I never went back

(Chorus)
